

Oepke 266

Date of Birth: 03/13/1977
Registration 1: 197702661

Courtesy of Baños Ranch

Oepke 266 was a distinguished KFPS-approved Friesian stallion, born on March 13, 1977. Standing at 1.62 meters, he was sired by Wessel 237 and out of the Preferent mare Trienke, making him a product of Mare Line 45. Throughout his breeding career, Oepke 266 made a significant impact on the Friesian breed. He was the sire of Tsjeard 331, an approved stallion known for his contributions to the breed. Oepke 266's legacy continues
